

## **LAURIE MESSNER ~ Biography**

Laurie embraces the traditional western horse culture. She has been instructing horsemanship since 1997. She specializes in initiating the recreational rider. Laurie is extremely proud of her AQHA Professional Horseman Accreditation and has CHA Western Level III Certification. She continues her professional development by participating in and hosting clinics with other expert horsemen. Laurie also has CHA Level 2 English Certification.

Laurie's passion for the equine comes from her exposure to some of the great horseman of our time. Her depth of experience provides the foundation for understanding the significance of the human – equine relationship. She explores an equitable partnership, in which there is a relationship of clarity and leadership from human to horse.
